

Mobility System Administration Fee

Description

The System Administration Fee is directed towards recovering the administrative and other expenses incurred by SaskTel in the provision of wireless services. These expenses include costs for license fees, costs for wireless spectrum, interconnection arrangements, network management expenses, roaming system costs, labour costs, billing system costs and the subsidy for local wireline residential service in Canada.

Terms and Conditions

1. The System Administration Fee is applied to each cellular, FleetNet 800™, and wireless data access on a customer account.
2. The following accesses and rate plans are exempt from the System Administration Fee:
 - FleetNet 800™ Pay Per Use Rate Plan
 - Paraplegic Rate Plan
 - Prepaid cellular access
3. Customers that are disconnected for non-payment will not be charged the System Administration Fee during the period of disconnection.
