

ITEM
100.25**Joint User Service**

Note: The business service elements of this item are forborne from regulation in certain exchanges, as identified in Item 100.23.

N
|**1. Service Description**

Joint User Service allows persons, firms, or corporations to share business primary service.

2. Conditions of Service

1. Application for joint user service and additional equipment in connection with such service must be made by the customer of the service, not the joint user.
2. The initial service period is *one month*, commencing with the completion date on the service order.
3. SaskTel reserves the right to limit the number of joint users associated with any primary service.
4. Additional service and equipment required by the joint user is subject to rates, charges, and regulations as specified in SaskTel's Tariffs.
5. Joint users are provided with one regular alphabetical and one regular classified listing. Additional advertising is permitted at standard rates. SaskTel advises the customer of such chargeable advertising.
6. Joint user service is not permitted with
 - (a) public telephone service,
 - (b) semi-public telephone service,
 - (c) Or other similar services.

100.25**Joint User Service - Continued****2. Conditions of Service - Continued**

7. Unless the customer has joint user service, the business customer shall not use or advertise his or her telephone number under the name or trade name of another business, whether that business is partly or wholly owned by the customer or not.
8. Such sharing of service must not be detrimental to SaskTel's network.
9. Distinctive ringing or signaling is not provided for incoming calls to the joint user.
10. The primary customer is responsible for all charges incurred on his or her own behalf and on behalf of any joint user.
11. Charges for listings of joint users in the telephone directory are applicable for the remaining life of the directory until the directory close-off date.
12. Charges may be cancelled if:
 - (a) the primary customer terminates service, or
 - (b) the joint user establishes primary service.
