110.32      **Direct-In-Dial Service**

**Note:** The business service elements of this item are forborne from regulation in certain exchanges, as identified in Item 100.23.

N  
|**1. Service Description**

Direct-In-Dial (D.I.D.) service provides for direct access from SaskTel's switched network to individual PBX locals, without the assistance of the PBX attendant or direct access to customer provided switching equipment.

**2. Conditions of Service**

1. Customers must initially subscribe to a minimum of 20 D.I.D. numbers for D.I.D. service.
2. Additional numbers may be provided in groups of 50, 10 and 1s (single numbers).
3. D.I.D. service is provided subject to the availability of facilities and equipment in central offices equipped to provide the service.
4. D.I.D. numbers may be listed in SaskTel's directory.

**3. Rates**

1. A monthly rental rates applies to each group of 50, 10 and 1s (single numbers) D.I.D. numbers.
2. Additional charges may apply if modifications to equipment or facilities are required to provide D.I.D. service.
3. Customers who dismantle a D.I.D. number block shall be assessed a \$50.00 service charge.
