2. Conditions of Service

1. The promotion will run from July 1, 2008 to December 27, 2008, inclusive.
2. The promotion is limited to residential customers within the BRA/IBRA in the Moose Jaw exchange.
3. The waived service connection charges are available on first or additional residential single lines.
4. Eligible service charges to be waived include charges incurred when:
 - no field visit is required.
 - a field visit is required but the service drop is in place and has been previously activated.
5. All other charges in the Network Access Service Tariff Item 110.12 remain in effect.
6. There are no conditions upon the customer retaining Network Access Service beyond the promotional period or for any minimum period during the promotion.
