

*Andy Malinowski was appointed as a trustee on the SaskTel Pension Board in 2014.*

*Andy began his career at Sasktel in 1977 as an apprentice Switchman in the Yorkton Central Office. His entire career has been in network operations, with responsibilities for the Corporation's Transport, Wireless, Switching and Data Networks. During his time at SaskTel he has worked on several contract assignments with SaskTel International on Optical Transport Networks in Western Europe, the Caribbean and the USA. He is currently a Trunking and Switching Technician in Yorkton.*

*Andy has been actively involved with the Union for many years as a Steward and currently is Chief Steward for Yorkton and District. He is a member of the SFL Pensions & Benefits Committee and Chair of the Unifor I-S Benefits Committee. In addition to classes from the University of Saskatchewan in Economics, Accounting and Business Law, Andy has completed the International Foundation of Employee Benefit Plans "Foundations of Trust Management Standards" and "Advanced Trust Management Standards" programs. In 2016, Andy earned his Retirement Plans Associate (RPA) designation from Dalhousie University and the IFEBP.*

*Andy and his wife Carol live in Yorkton and have three daughters.*
