Toll Restrictor

1. Service Description

Toll Restrictor curbs a telephone user's ability to make long distance calls, access 900/976 service, or access Directory Assistance (DA) and Directory Assistance Call Completion (DACC). Toll Restriction is provided within the software of SaskTel's switches.

The following types of toll restrictors are available:

Type	Is located in	And denies access to		
3	central office	Long distance, DA and DACC, 900/976,		
		and Long Distance Call Completion on		
		SmartTouch features		
5	central office	900/976 service		
6	central office	DA and DACC		
7	central office	Long distance, third number billed, collect,		
		DA and DACC, 900/976, Long Distance		
		Call Completion on SmartTouch features		
		and access to Canada Direct		

Filing Date: 2015 01 09 Effective Date: 2015 04 30

ITEM Toll Restrictor – Continued 170.15

2. Conditions of Service

- 1. SaskTel will not be liable or responsible to customers who are unable to access long distance as a result of a toll restrictor having been installed.
- 2. If a customer goes to a competitor for their long distance service, SaskTel will remove the toll restrictor when the customer has paid all outstanding debt to SaskTel.

3. Rates

The Customer shall pay to SaskTel the following rates and charges for Toll Restrictors. Such rates and charges are in addition to any other rates and charges that may be applicable.

For customers	Restrictor Type	Monthly Rental	Service Charge**	
Business				D
	3	\$4.95	\$9.00
