

## SaskTel Equipment Return Form

If you're cancelling a SaskTel service, you'll need to return equipment owned by SaskTel using the instructions below.

1. Print and complete this form.
2. Pack all the equipment into a box. Please ensure you return all parts, including power cords.
3. Place this completed form in the box and ensure your parcel is securely packed, wrapped, and reinforced.
4. Visit [canadapost.ca](http://canadapost.ca), print a return label using the SaskTel Return ID Number **PR568549**, and affix it to the largest side of the parcel. (If you don't have a printer, bring your Return ID Number to Canada Post and they will print it for you.)
5. Take your parcel to any Canada Post outlet.

Canada Post will ship the equipment back to SaskTel free of charge.
