

# SASKTEL BUSINESS MOBILE INTERNET

## UNLIMITED DATA SIMPLIFIED. NO OVERAGES, NO SLOW DOWN SPEEDS.

- Have you ever been charged overages as a result of exceeding your plan's data?
- Has your wireless data ever been slowed down?
- Are you in an area with limited access to DSL, Fibre, or Fusion internet?
- Are you tired of searching for Wi-Fi or hot spotting while out of the office?

SaskTel Business Mobile Internet is a wireless service that offers unlimited data at a variety of different speeds. For the first time, you can choose your mobile internet plan by speed, not by your data amount.

- Truly Unlimited Data - no overages or slowdown speeds, the first service offering of it's kind in Saskatchewan!
- Choose your speed, not your amount of data
- Symmetrical download and upload speeds\*\*\*

## SASKTEL IS YOUR PARTNER IN BUSINESS

Your business deserves Saskatchewan's most advanced networks and a guarantee that these networks will continue to grow into the future. SaskTel has invested more than a billion dollars over the past five years to ensure you stay connected with your employees and customers.
