170.16**SaskTel Rural Financial Assistance Plan**

N

1. Service Description

The SaskTel Rural Financial Assistance Plan provides SaskTel the ability to make connection charges for services more accessible for business customers. This installment payment plan is available to business customers located outside the island or base rate boundaries.

2. Conditions of Service

1. The new or additional service connection charges must be \$5000.00 or greater.
2. The minimum number of monthly payments is 2.
3. The maximum number of monthly payments is 24.
4. The customer must make a down payment of 25%.
5. Late payment charges on overdue accounts will be applied.
6. Interest is charged at SaskTel's then current regulated cost of capital.
7. The plan is for new installations or additional services a customer may request at a later date.
8. The customer's service address must be outside the island or base rate boundaries.
