
SaskTel Wireless Service Savings Eligibility

C

Description

Subscription to some SaskTel wireless service plans or promotional offers is subject to conditions of eligibility. If at any time during the contract term of your Wireless Service Agreement with SaskTel, or during the promotional period, you cease to meet the eligibility requirements specific to the wireless service plan or promotion to which you are subscribed, then SaskTel may cancel your subscription to that wireless service plan or promotion and move your SaskTel wireless service to a comparable wireless service plan as determined by SaskTel, that SaskTel then has available in the market. SaskTel will notify you when such a change has been made.

SaskTel Business VIP 60

1. Subscription to this plan requires that you are a subscriber to at least two of SaskTel's eligible business grade service offerings. Those eligible offerings are as follows:
 - a) Business grade network service (Business High Speed, Dedicated Internet, LANspan, or LANspan IP);
 - b) Hosted voice service (Integrated Business Communications (IBC), Hosted Collaboration Solution (HCS), or Centrex); and
 - c) Managed IT Services (MITS), or Data Centre (Colocation, Managed Hosting, Cloud Disaster Recovery, Managed IT Services).
2. Subscription to the SaskTel Business VIP 80 plan is available as an alternative to business customers not meeting the eligibility criteria noted above.

SaskTel VIP 85

1. In *maxTV and maxTV Stream* serving areas, subscription to this plan requires that you are a subscriber to:
 - a) SaskTel's wireline internet access service offering (interNET, interNET Extended, infiNET or Fusion) and either SaskTel's *maxTV* or *maxTV Stream* offerings*; or
 - b) one of the following wireline internet only plans; interNET 25, infiNET 80, infiNET 175 or infiNET 300*.*Dependent on what offering is available to you.
2. In non *maxTV* serving areas, if you are not subscribed to one of the eligible wireline internet only plans as identified in item 1.b), subscription to this plan requires that you are a subscriber to:
 - a) SaskTel's wireline internet access service offering (interNET, interNET Extended, infiNET or Fusion) and SaskTel's home phone offering;
 - b) SaskTel's wireline internet access service offering (interNET, interNET Extended, infiNET or Fusion) and SaskTel's *maxTV Stream* offering; or

SaskTel Wireless Service Plan Eligibility Conditions – Continued
