

SaskTel Wireless Service Savings Eligibility

Description

Subscription to some SaskTel wireless service plans or promotional offers is subject to conditions of eligibility. If at any time during the contract term of your Wireless Service Agreement with SaskTel, or during the promotional period, you cease to meet the eligibility requirements specific to the wireless service plan or promotion to which you are subscribed, then SaskTel may cancel your subscription to that wireless service plan or promotion and move your SaskTel wireless service to a comparable wireless service plan as determined by SaskTel, that SaskTel then has available in the market. SaskTel will notify you when such a change has been made.
