610.10**Bulk Transfer of a Customer Base Between IXCs having Feature Group D Service****1. Service Description**

This service is intended for situations such as acquisitions or mergers in which one IXC with Feature Group D Service (the Acquiring IXC) acquires the equal access customer base of another IXC (the Original IXC). The Acquiring IXC can request SaskTel to convert the customer PIC selections from the Original IXC to the Acquiring IXC on a bulk transfer basis. Prior to the processing of such a bulk customer base transfer by SaskTel, the Acquiring IXC must provide SaskTel with documentation of the Original IXC's agreement to the bulk transfer of its customer base.

**2. Conditions of Service**

1. The Acquiring IXC requesting a bulk transfer of another IXC's customer base must provide SaskTel with advance notification of such request. Depending upon the size and nature of the customer base to be transferred, the specific timing of the transfer may be subject to negotiation with SaskTel.
2. Charges for processing a request for a bulk transfer of another IXC's customer base are assessed to the Acquiring IXC. The charges consist of two components, a basic charge per request and a variable charge per access line PIC selection transferred.
