

ITEM 1000.16 Customer Specific Integrated Business Service**1. Service Description**

This service provides combined outbound and inbound calling, enhanced Centrex Service and Network Access Service charges.

2. Conditions of Service

1. The customer is required to enter a 5 year agreement for 100-499 Centrex Network Access lines as specified in the Centrex Service I tariff and;
2. The conditions of Centrex Service II apply other than the rate as specified in this item.
3. The customer is required to have in effect a 2-year Business Savings Plan agreement for their outbound and inbound calling at rates specified in this tariff. C
4. Notwithstanding any other provision of the original Centrex I Agreement SaskTel agrees that should at any time during the fixed term of the original Centrex I Agreement the Customer establish a call center for its operations in Saskatchewan, customer may delete from the Original Centrex I Agreement as many Centrex telephone lines as are reasonably necessary to establish such call center. Customer may delete such Centrex lines from this agreement without payment of any termination charges to SaskTel.
5. For this service one Centrex Service II access line is provided for each telephone set of a multi-line telephone system.
